ECI/MCI User Agreement. ECI/MCI User Agreement

between

the Association for Computational Linguistics

and

User: ___________________________ User's research group (if applicable):

The Association for Computational Linguistics (hereafter referred to as "ACL") agrees, on receipt of these signed agreements, to make the European Corpus Initiative Multilingual Corpus 1 (ECI/MCI), composed of material specified in Appendix A, available to the user listed above (hereafter referred to as "User") on behalf of the European Corpus Initiative (ECI).

The ECI, sponsored by the European Chapter of the Association for Computational Linguistics (EACL), the European Network in Language and Speech (ELSNET), the Network for European Reference Corpora (NERC), the Human Communication Research Centre (HCRC---funded in part by the UK Economic and Social Research Council), the Institute Dalle Molle pour les etudes semantic et cognitives (ISSCO) and the Linguistic Data Consortium (LDC), is an activity which collects machine readable text for the purpose of scientific and humanistic research, and distributes it at cost and without royalties.

Under this agreement, User will receive a machine-readable copy of the material specified in Appendix A. User agrees to use the material received under this agreement only for research purposes. User further agrees not to redistribute the material to others outside of User's research group, and agrees to inform all members of User's research group who have access to the material of the terms of this agreement, and to ensure their compliance with them.

Copies of the material may be made for backup purposes, or for the purposes of making data available to members of User's research group, but User shall ensure that a copy of this agreement is included in all such copies.

User acknowledges that some of the material, as specified in Appendix A, is subject to copyright (and other) restrictions, and that violations of such restrictions may result in legal liability. User agrees to refrain from violating the restrictions, and to notify all associates who access the material of the restrictions.

ACL gives no warranties and makes no representation that the material will be suitable for any particular purpose, accepts no responsibility for any limitations or errors in the material, and accepts no liability for any damages or losses which may arise from User's use of the material.

Please note that a further special agreement is attached hereto covering the use of the French material provided by Le Monde, which must also be signed and returned.

Copyright in the formatting and organisation of the material above and beyond that originally supplied is held by the ACL.

User shall send a signed copy of this agreement by facsimile to LDC, fax number (+1) 215 573-2175. Alternately, User shall email an electronic version of the signed agreement to LDC at ldc@ldc.upenn.edu

(Signed by User)

Standard conditions.

chi01 Guo Jin

Recipients of the PH corpus by signing the ECI/MCI User Agreement thereby agree 1. To use the PH corpus strictly for research purposes. 2. NOT to re-distribute the material to others outside of their research group, and agree to inform all members of their research group who have access to this material, of the terms of this addendum to the ECI/MCI User Agreement, and to ensure their compliance with them. 3. Upon the completion of their research, when publishing results achieved using the PH corpus, for example in a Bulletin board, short notice or lengthy journal article, to attach in publishing a clear reference phrase such as "the PH corpus (originally selected and processed by Guo Jin and his colleagues) is used in this research."
