ECI/MCI User Agreement. ECI/MCI User Agreement

between

the Association for Computational Linguistics

and

User: ____________________ User's research group (if applicable): ____________________

The Association for Computational Linguistics (hereafter referred to as "ACL") agrees, on
receipt of these signed agreements, to make the European Corpus Initiative Multilingual Corpus 1 (ECI/MCI), composed of
material specified in Appendix A, available to the user listed above (hereafter referred to as "User") on behalf of the European
Corpus Initiative (ECI).

The ECI, sponsored by the European Chapter of the Association for Computational Linguistics (EACL), the European Network in
Language and Speech (ELSNET), the Network for European Reference Corpora (NERC), the Human Communication Research
Centre (HCRC---funded in part by the UK Economic and Social Research Council), the Institute Dalle Molle pour les etudes
semantique et cognitives (ISSCO) and the Linguistic Data Consortium (LDC), is an activity which collects machine readable text
for the purpose of scientific and humanistic research, and distributes it at cost and without royalties.

Under this agreement, User will receive a machine-readable copy of the material specified in Appendix A. User agrees to use the
material received under this agreement only for research purposes. User further agrees not to re-distribute the material to others
outside of User's research group, and agrees to inform all members of User's research group who have access to the material
of the terms of this agreement, and to ensure their compliance with them.

Copies of the material may be made for backup purposes, or for the purposes of making data available to members of User's
research group, but User shall ensure that a copy of this agreement is included in all such copies.

User acknowledges that some of the material, as specified in Appendix A, is subject to copyright (and other) restrictions, and that
violations of such restrictions may result in legal liability. User agrees to refrain from violating the restrictions, and to notify all
associates who access the material of the restrictions.

ACL gives no warranties and makes no representation that the material will be suitable for any particular purpose, accepts no
responsibility for any limitations or errors in the material, and accepts no liability for any damages or losses which may arise from
User's use of the material.

Please note that a further special agreement is attached hereto covering the use of the French material provided by Le Monde,
which must also be signed and returned.

Copyright in the formatting and organisation of the material above and beyond that originally supplied is held by the ACL.

User shall send a signed copy of this agreement by facsimile to LDC, fax number (+1) 215 573-2175. Alternately, User shall email
an electronic version of the signed agreement to LDC at ldc@ldc.upenn.edu

(Signed by User)

   Recipients of the PH corpus by signing the ECI/MCI User Agreement thereby agree 1. To use the PH corpus strictly for research purposes. 2. NOT to re-distribute the material to others outside of their research group, and agree to inform all members of their research group who have access to this material of the terms of this addendum to the ECI/MCI User Agreement, and to ensure their compliance with them. 3. Upon the completion of their research, when publishing results achieved using the PH corpus, for example in a Bulletin board, short notice or lengthy journal article, to attach in publishing a clear reference phrase such as "the PH corpus (originally selected and processed by Guo Jin and his colleagues) is used in this research."
